

Groton, CT – Environmental Conservation Alternative Break

March 27–29

USG Storrs Funding Supports Alt Breaks

Community Outreach and Alternative Breaks

Community Outreach's mission is to enrich learning at the University of Connecticut through preparing students to be active global citizens by engaging them in service activities that enhance the quality of life for both others and themselves.

Alternative Breaks, a subsection of CO, are service-learning experiences supporting alongside the community. Alternative Breaks are designed to heighten participants' awareness of social issues, grow as individuals, and prepare them for lifelong community collaborators. The program provides students the opportunities to meet new people, learn new things, and live simply in community off-campus.

8 Components of Alt. Breaks

Other Components

Pre-Alt Break Meetings: Participants will attend 4-5 pre-program meetings, providing an opportunity to connect with each other, gain a deeper understanding of the program's objectives, and adequately prepare for the upcoming service activities. These meetings are mandatory as we will go over materials that are important for safety, preparation, and learning about expectations.

Re-Orientation: Following the program, all participants will be invited to take part in a dedicated service day. This event offers a valuable opportunity to reconnect with fellow participants, apply the skills and knowledge gained during the program, and demonstrate an ongoing commitment to community service.
